Contracted Services, Donations, Grants and Sponsorship Provided to Patient Organisations in 2023

Above Country (Europe, Alliance, and Asia-Pacific)

Methodology: a complete list of organisations that were provided donations, grants or sponsorships were collated for the calendar year 2023. Monetary value of each contribution was recorded and where available, the percentage contribution to the organisation's total income is disclosed.

Name of Organisation	Project description	Amount (inc taxes, GBP)	% Income	Website
Eurotest- Rigshospitalet, CHIP (Centre for Excellence for Health, Immunity and Infections), Center for Cardiac, Vascular, Pulmonary and Infectious Diseases	EuroTEST seeks funding for 2023 and 2024 to implement and further develop its existing projects and to expand into new activities, all aiming to broaden the knowledge base and facilitate research to further improving testing accessibility and promote integrated testing throughout the WHO European Region. Concrete plans and activities for 2023-2024	£130 000	17	https://www.eurotest.org/
HIV i-Base	Peer advocate treatment information service: 1-2-1 global Q&A programme - To empower people with direct 1-2-1 support through individualised treatment information. <ul style="list-style-type: none"> •To improve treatment literacy and enable people to understand the options available to them. This will help people be more confident when talking with doctors or other healthcare workers. •To provide up-to-date information about side effects and quality of life, including information about age-related health issues: diet, exercise, heart disease, bone health, cancer, and long-term conditions, including chronic pain. 	£60,000	13	https://i-base.info/
JUSTRI	JUSTRI HIV Resource development program. The program will consist of two projects <ul style="list-style-type: none"> • HIV: What you need to know - a basic clinical guide: translations In this project we will translate the existing JUSTRI resource, 'HIV: What you need to know - a basic clinical guide', www.justri.org/hiv-what-you-need-to-know-a-basic-clinical-guide/ into French, Serbian, Italian, Spanish and Turkish, then print and distribute it, to provide non-HIV trained healthcare professionals (HCPs), including general practitioners and medical students, with basic but important information about identifying and testing for HIV, as well as treatment and care of those who have HIV infection. • Mental Health in HIV - a guide for psychologists and psychiatrists This project will develop, produce and distribute a resource, 'Mental Health in HIV - a guide for psychologists and psychiatrists', to educate them about HIV related psychology/psychiatry. It will direct and support them to further develop their knowledge of HIV and associated conditions in respect to their professional activities, and to stimulate and support collaborations with their HIV colleagues to improve HIV psychology & psychiatric services both locally and in the wider field. 	£28,674	24%	http://www.justri.org/
GAT - Grupo De Ativistas Em Tratamentos	Alliance cycle meeting Lisbon presentation and discussion on GAT's work supporting people living with HIV in Portugal	€189.00	0.008%	www.gatportugal.org
APCOM	2023 HERO Awards	10,000 USD		www.apcom.org
